Fees

Swap free accounts do not pay or earn swap or interest on any trades, standard spreads will be charged according to the respective Swap-free accounts. To provide fair and transparent access to global markets, Vida Markets has to pass on the costs that are associated with maintaining their open positions. All of our liquidity providers charge certain fees to keep positions open and this cost is passed on to clients via the Administration fee from the 15th day on all open positions.

Vida Markets may, at its discretion, update fees relating to swap free accounts on its website from time to time.
